

## March 2009 Derek McCrea Artists Newsletter

I have not released a newsletter since December 2009. It has been a slow last few months, I guess I blame the economy. Artists are on of the first to feel the impacts. I have a few works being published in Bravado Magazine. View my website for all of the works I have completed in the last few months at <http://www.derekmccrea.50megs.com>

I have continued to create works and I have a couple of them below:

Until next Month
